

SIDEWINDER 3 & SCT

REPLACEMENT CASE DISASSEMBLY AND REASSEMBLY INSTRUCTIONS

To remove fan shroud:

1. Place the tip of a flat blade screw driver in the location shown in the picture.
2. Slightly rotate the screw driver as indicated by the red arrow in the figure. This will release the snap holding the fan shroud in place.
3. Repeat steps 1 and 2 on the other side of the fan shroud.

To replace the fan shroud:

1. Align the tabs on the fan shroud with the respectful slots on the case top.
2. Firmly press down until the fan shroud snaps in place.
3. Be careful not to pinch the fan wire between the fan shroud and the case top, this may damage the fan wire.
